

Home Business Opportunity: Become a Licensed Home Child Care Provider

The process to open is
easier than you think!

Why Licensed Home Child Care?

- ✓ You choose your own hours and days that you would like to operate
- ✓ You can care for 6* children instead only 5 in an unlicensed home (some restrictions)
- ✓ You can provide care for families who require subsidized care
- ✓ You can provide care for both agency and private clients
- ✓ We bill and collect fees from the clients this means you are guaranteed to always be paid for the days you provided care
- ✓ We pay for and help to coordinate training in CPR First Aid, Food Handlers and Anaphylaxis

Above all, YOUR HOME is LICENSED!

- ✓ Manitoulin Family Resources holds the license with the Ministry of Education and contracts your child care business
- ✓ This makes your home a Licensed Home!

Home Child Care program supports
Manitoulin Island, Espanola and the North Shore.
